The Pacific Design Center Welcomes Wildflower Linen

Wildflower Linen celebrated the opening of its new showroom at The Pacific Design Center with a vivacious cocktail reception for California's top-tier party planners and other guests. Woman-of-the-hour Youngsong Martin shared the spotlight with her newest collection of linens, which wowed the event-designer audience with artistic inspiration. Guests enjoyed cocktails from Pacific Coast Bar & Beverage and elegant hors d'oeuvres from Good Gracious! cleverly displayed from hanging boxes. The talents and contributions from Magical Blooms, Haute Bar Wear, LightenUP, Inc., Zoe Productions, Abbey Party Rents and Cort Event Furnishings helped create this memorable night.
